

ClinicalKey®

Medical and surgical contents - anywhere, anytime

Online webinar

Tuesday 19 March - 10:00 CET

Sign up

We recognize the importance of having the right tools to navigate your academic career, that's why Elsevier is excited to invite you to one of our online seminars on [ClinicalKey](#)!

[ClinicalKey](#) is a clinical search engine that supports medical students, physicians, nurses, and any healthcare professionals with clinical decisions by making it easier to find and apply relevant knowledge. It contains a wide selection of Elsevier medical and surgical [Books](#) and [Journals](#) in full text as well as [Videos](#), [Multimedia](#), ongoing clinical trials etc. in more than 40 medical specialties.

Learn how to navigate [ClinicalKey](#) during this seminar, where our expert will teach you how to search for medical information and literature as well as how to use all the advanced functionality tools to support you with your medical studies.

By attending the webinar and taking part in the quiz, you have a chance at winning a gift certificate for an Elsevier book worth €100!

This videoconference is scheduled to last approx. **45 minutes** and is for **free**.

Register here:

(Time zone: GMT+2 Amsterdam, Berlin, Rome, Stockholm, Vienna)
